Let's talk about deSEXing, baby!

NSW GOVERNMENT

Annual permits for non-desexed cats from 1 July 2020

Desexing your cat before four months of age:

- ✓ prevents unwanted litters
- ✓ prevents illness and disease
- ✓ prevents straying and spraying
- ✓ reduces harm to our wildlife
- ✓ reduces the burden on animal shelters
- ✓ increases longevity

Desex your cat now and never pay the annual permit
