RETIREMENT OF THE DIRECTOR GENERAL

I wish to advise councils that I informed the Minister last month that I would be retiring as Director General with effect from Monday, 16 February 2009.

Ross Woodward, currently Deputy Director General, will be acting as Director General from Tuesday, 17 February 2009. Correspondence to the Department should be addressed to him from that date.

As Director General I have enjoyed a great deal of support and assistance from Mayors, Councillors, General Managers and staff. The level of co-operation and support for the Department in carrying out its role has been appreciated.

Garry Payne AM
Director General
