RELEASE OF LONG TERM FINANCIAL PLAN INFORMATION

The Division of Local Government recently released a draft Long Term Financial Plan information paper for comment. A number of submissions were received during the consultation period. The Long Term Financial Plan information paper has been revised taking into account some of the suggestions from the submissions.

The Long Term Financial Plan (LTFP) is a requirement under the Integrated Planning and Reporting framework for NSW Local Government and forms part of the Resourcing Strategy. The information paper has been developed to assist councils in developing a LTFP by providing some general guidance.

The paper should be read in conjunction with the Integrated Planning and Reporting Manual (Resourcing Strategy section) issued by the Division of Local Government.

The Long Term Financial Plan information paper can be found on the 'Publications' page of the Division's website at www.dlg.nsw.gov.au.
