2. Targeted Questions

2.1. Will the proposed amendments made in the consultation draft of the Model Meeting Code achieve the policy outcomes identified in the paper?

Hopefully

2.2. Are there any other amendments you would suggest that will achieve these policy outcomes?

A review of intimidation and condescending behaviour by councillors

2.3. Will the proposed amendments have any unintended consequences?

No

2.4. Are there any other amendments the Government should consider?

Getting local councillors back to working for their ratepayers. Focusing on local governance issues at council meetings.

3. General feedback

3.1. Please provide any other feedback on the proposed amendments.

A review of City of Newcastle is highly desired. Our newly elected Mayor is obviously being worn down by intimidation and grandstanding of the councillors. The council meetings now run into early hours of the morning which is surely a breach of council's duty of care to staff who have to drive home and then return for the next day's duties. The council meetings are really difficult to watch with interest
