

What's new or changing

The Office of Local Government's [Crown Land Management webpage](#) has recently been updated to provide additional resources and information for NSW councils.

Key points

The webpage updates include:

- [A recording of the Council Crown Land Management webinar](#) for General Managers and Senior staff, hosted by the OLG and Department of Industry (DOI) – Crown Lands on 21 March 2018.
- [A streamlined PDF version of the webinar](#) which councils are encouraged to use to inform councillors on the new legislative approach.
- [Frequently Asked Questions addressing questions raised in the webinar.](#)
- [Crown Land Management Regulation \(April 2018\)](#) - An update for local councils from DOI – Crown Lands providing important information about the Regulation which commenced on 19 March 2018, and
- [An additional FAQ document on key Native Title issues.](#)

Further resources are currently under development by OLG and DOI – Crown Lands, and will be posted on the webpage as they become available.

Details and registration information about forthcoming events for Council Crown land managers, including webinars and training, will also be posted here as they become available.
