1. As an incident may involve multiple people and/or animals the total dog attack incidents reported for each council in columns E and F may not necessarily add up to the total incidents
2. These are attacks where a person was involved AND where the injury resulted in medical treatment, hospitalisation or death.
3. These are attacks where a person was involved but no injury required medical treatment etc.
4. The number of dogs microchipped in an LGA may not reflect the total number of dogs residing in that LGA.
