Plan of management funding agreements

We are pleased to advise that Plans of Management funding agreements have been distributed to councils by way of an email to general managers (our reference: A615739). We apologise for any inconvenience the delay in distributing these agreements may have caused.

In order to allow the funding to be distributed prior to the Christmas break, we are asking councils to return signed agreements to OLG **by Friday 7 December 2018**. Please be aware that payments for agreements returned after that time will likely not be processed until mid-January 2019.

Signed agreements should be sent to councilcrownland@olg.nsw.gov.au.

Note: The email has been sent to generic council email addresses, so please liaise with your records staff if it has not made it to the appropriate officer. If your council has not received the email or if you have any other queries about the agreement please contact OLG on the phone number or email address below.
