

Upcoming support materials and resources (including new webcast)

The Department of Industry – Lands recently announced a series of Crown land legislation information sessions through the [Crown Reserves Management Newsletter No. 2 \(May 2018\)](#).

While councils are welcome to attend, the sessions are primarily aimed at current Reserve Trust board members and corporate manager representatives.

General information for Council Crown land managers is available in the webcast hosted by DOI – Lands and the Office of Local Government on 21 March 2018, which can be viewed [here](#).

A range of important new information and support materials, **including an upcoming webcast on the classification and categorisation of Crown reserves** will also be rolled out over the coming months, as set out in the table below.
